## OUR HOME TEACHING PROGRAM

---

Goals	Action
<i>What do we wish to accomplish with our families?</i>	<i>What do we have to do to accomplish our goals?</i>
Examples:	
1. To become a real friend to every person assigned to us . . .	. . . we need to visit with every person—adults and children—and get acquainted with them. Find out about them—their interests, goals, feelings about the Church, etc.
2. To help each person set some personal challenges or goals . . .	. . . we need to find out what each person wants to work on as his goals. (Note to ourselves: we want to help them achieve their goals—not force them.)

God Create a DEVIL? which I would like to send to you—FREE, of course. This booklet will explain things about the existence of the devil preparatory to the article that will appear in the February number of The PLAIN TRUTH as the first installment of the series of articles titled "A WORLD HELD CAPTIVE."

Another booklet—one of my newest—is YOUR AWESOME FUTURE—How Religion Deceives You.

These booklets are EYE-OPENING! They are IMPORTANT! You need to UNDERSTAND them. There is no charge—absolutely free. Remember, we never request the public for money, financial support or contributions. We look solely to God for all our NEED—and he supplies it, so that, gratefully, we do not have to beg our television and radio audiences for financial support or contributions as it seems all others do. The Bible commands, "Buy the truth, and sell it NOT." We work hard to SERVE GOD and look to him who PROMISES to supply all our need—AND HE DOES; for which we thank and praise HIM! We want to GIVE—to HELP—that is the way of God's commandments.

THANK YOU for letting us serve you!

With deep love, in Jesus' name,
